FISCAL ANALYSIS

ASSUMPTION

Officials from **The University of Missouri, Truman State University**, and the **Department of Public Safety - Division of Veterans Affairs**, assume no fiscal impact to their organizations.

Officials from the **Coordinating Board for Higher Education** assume this proposal would result in an unknown cost to the state General Revenue Fund for tuition and fee refunds, and for the publication of rules regarding refunds or incomplete grades to students called into military service.

Oversight assumes the number of students who would become eligible for tuition refunds or incomplete grades as a result of this proposal would be small, and the minimal related cost could be absorbed from existing resources.

Officials from the **Department of Public Safety - Missouri National Guard**, and **Southwest Missouri State University** did not respond to this proposal.

In response to a similar proposal, officials from **Southwest Missouri State University** and **Central Missouri State University** assumed no fiscal impact to their organizations.

<u>FISCAL IMPACT - State Government</u>	FY 2003 (10 Mo.)	FY 2004	FY 2005

<u>FISCAL IMPACT - Local Government</u>	FY 2003 (10 Mo.)	FY 2004	FY 2005

FISCAL IMPACT - Small Business

No direct fiscal impact to small businesses would be expected as a result of this proposal.

DESCRIPTION

This proposal would allow students of public institutions of higher education who are members of the National Guard called to active service to be eligible to receive a refund of tuition.

This legislation is not federally mandated, would not duplicate any other program and would not require additional capital improvements or rental space.
